Classroom News

Dear Kindergarten Families,

I hope you all had a nice Easter break! It was good to be back at school this week and see everyone after the time off. Time is going by quickly and the end of the school year will be here before we know it!

Have a nice weekend,

Mrs. Zoltoski

Academic Highlights

Reading/Language Arts

A highlight this week was our read aloud theme about fairy tales. The students enjoyed listening to different versions of Goldilocks and the Three Bears, The Three Little Pigs, and several others. They made notecards to help them retell The Three Little Pigs to a classmate. Those were sent home today!

Math

The students had a lot of fun today using a balance to compare the weights of different items. They also worked on understanding and comparing the capacity of different containers earlier this week.

Social Studies/Science Religion

We began a unit in science/social studies about Land and Water this week. The students labeled a globe and a map and drew illustrations of mountains, valleys, plains, hills, and a desert. We will continue this topic next week, focusing on bodies of water and learning to read a map.

Religion

Our Religion lessons focused on prayer this week. The students learned that they can talk to God in their own words anytime and anywhere. We practiced thinking of prayers starting with: Bless, Thank, or Help.
